

TANITA
Healthy Habits for Happiness

Ready, set, GO!

Transform your EMS studio with our cutting-edge solutions. Beyond just weight, our products emphasize the positive effects on body composition through EMS training. When clients witness tangible progress and improvement, they're more inclined to increase session bookings and refer others.

Improve EMS training experience with the **TANITA MC-780** segmental body composition monitor. This device offers a **medical-grade analysis** of clients' health and fitness, providing insights beyond mere weight measurement.

With **20+ comprehensive measurements** and tracking progress, you can diagnose areas for improvement and guide clients towards achieving their goals effectively.

JAPANESE TECHNOLOGY | **5 YEAR GUARANTEE** | **WORLD NO. 1 FOR NEW HEALTH INSIGHTS**
