TANITA

ALL NEW MC-800

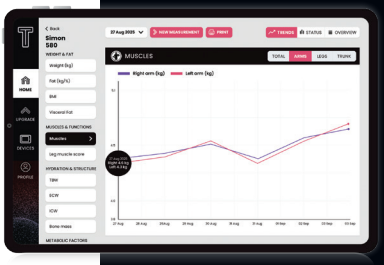

Make a statement with the MC-800 body composition monitor, combining cutting-edge technology with striking design.

For operators who set the standard, not follow it.

Create a smooth workflow for staff and visualise goals for members

By attaching your existing tablet to the device, connected via the app or USB, you seamlessly integrate the MC-800 into your gym ecosystem.

MC-800

SMART

Real-time insights. Seamless integration.
Adapts to your workflows and evolves with your business.

TIMELESS

Premium materials. Clean lines.
A design that elevates your space without dominating it.

UNIQUE

Not built to blend in.
Built for operators who define their own standards.

Backed by TANITA's decades of experience and **5-year warranty.**
